NEW ONLINE BANKING & WEBSITE REDESIGN

Something great is on its way.

Online Banking

As part of enhancing your digital experience, Hiway has started work on a major project to deliver a new “next-generation” online banking system and great new mobile banking app. The new system will be introduced early this summer and offer a more robust and intuitive online banking experience. A few of the enhancements will include:

- Individual Login (*view all of your accounts from one single login*)
- Touch ID (*fingerprint login access*)
- Better access to your accounts across devices, desktop, phone and tablet
- Updated Mobile Deposit for checks
- Additional alert options (*improved security and account management*)

Website Redesign

Along with the new online banking experience, we are excited to announce that we will also be launching a newly designed website. The updated site will be designed to improve the overall user experience with streamlined menus and easier, more intuitive navigation to help you find the information that is important to you.

Update Your Contact Information

It is important that you either update or validate your contact information before our new online banking system is introduced. During the initial login process, you will be prompted to select an email address or phone number associated with your account to send a secure access code. If we don't have the correct contact information, you will not receive the code needed to complete the login process.

To verify the email address associated with your online banking login:

1. Click **User Options** under the Accounts menu
2. Click the **Update Your Email** link

If you have multiple accounts, please log in and verify each of them. You should also add homebanking@hiway.org to your list of contacts in your email client to ensure that notices are not being blocked.

The secure access code can also be sent to a mobile phone or landline. We do not currently display your phone number within online banking, but you can verify any phone numbers we have listed for you by contacting us.

We are with you.

Ask us about our current offers
for jumbo savings!

Apply today:
hiwaymortgages.com

Qualifications apply. Mortgage loans available in the U.S. except for AK, CA, HI, NY or TX.

OUT & ABOUT

Winter Cookout 2017— A hit!

January 27, 2017—Our annual cookout was a huge success this year. With help from associates and members alike, we were able to raise a total of \$532.62 to benefit the Saint Paul Police Foundation (SPPF). "The Saint Paul Police Foundation is committed to supporting the Saint Paul Police Department in its effort to enhance community partnerships," said Donna Swanson, SPPF Executive Director. "The Winter Cookout that Hiway put on to support SPPF is exactly what is needed and appreciated to strengthen that commitment and build a better, more engaged and connected St. Paul. Thank you Hiway for your consistent support of the Foundation and Saint Paul Police Department!"

The Saint Paul Police Foundation was established in 2005. Since then, the Foundation has provided more than \$1.5 million in support to the Saint Paul Police Department. The Foundation's work has supported numerous projects such as the Safe City camera initiative, the police department K-9 program, survivor resources, Shop with Cops, the Cops & Kids program and more.

A special thank you to our partners at US Auto Fleet Group for providing hot chocolate, Captain Ken's for donating the beans, to those on the Hiway Pave the Way team who volunteered their time, and of course all of our Hiway members and members of the community who took the time to stop by and share a meal with us.
