

Welcome to summer!

There's been a lot happening at Hiway! First of all, I wanted to thank you for your patience during our recent downtime, as our team worked to bring our important CORE22 upgrade to life. I'm so proud of our associate group's diligence during this 18-month endeavor! Our new platform provides a solid foundation for us to continue to bring you more value as a Hiway member, particularly by paving the way for new & improved digital experiences.

And ... equally exciting ... our Woodbury branch is NOW OPEN! While we continue to invest in digital, we also recognize the importance of our community financial service centers. We're committed to giving you options – whether you prefer to work with us in person, over the phone, via Hiway Live video banking, or through our digital channels.

And finally, I'd be remiss if I didn't say – **Happy Pride Month!** To us, celebrating Pride in June is an acknowledgment of the quest for fulfillment, happiness and human connection that we all share – regardless of personal beliefs – and the value of everyone being able to be their authentic selves. Diversity is at the heart of our strength, and living our core values is something that really makes Hiway a great place to be, and a great financial partner along your road of life. If you've had a good experience, please share! Growing our Hiway family means we're able to bring more to all of our members.

Enjoy the season!

Dave

WE ARE BRANCHING OUT!  
WOODBURY, NOW OPEN

You've been hearing about it for a while, and now the day is here – our new Woodbury branch is open and ready to help along your road of life.

So ... why Woodbury?

Before we select any new site, our team does a lot of research. We look to areas where our members already live, as well as areas with solid growth potential. We also consider convenience: retail areas near major thoroughfares, where many members and potential members would already be out and about, running errands. Our Woodbury location off 494 on Woodlane – as well as our Roseville location off 36 on Fairview – fit all of the above criteria. Come visit us!

CONGRATULATIONS, DAVE BODEN!

Hiway's President/CEO Dave Boden was recently named the 2022 Minnesota Credit Union Network Outstanding Credit Union Professional of the Year. Boden received the award at MnCUN's recently held Annual Conference.

"I'm blessed and humbled to be a part of an industry that has so many good people that care about each other and the members that we serve," said Boden. "This award says more about Hiway, the people that work here, our leadership and the members that we serve than it does about me. I am fortunate to be the one recognized but it's all because I've had great people around me."
