- ↪ Quarterly Newsletters with Fames, Activities and Articles
- ↪ Savings Incentive Program

For every \$10 deposited into the club members' savings account during the quarter, we will enter their name into a quarterly drawing. The funds need to remain in the savings account until the end of the quarter to qualify for the drawing. Each club will have three fabulous prizes every quarter. Drawings will be held March 1, June 1, September 1 and December 1 of each year.
